

Understanding More about Disability Progression in MS

This MS Program is Sponsored by: **sanofi**

Guest: Robert Motl, PhD - A professor of kinesiology and nutrition as well as rehabilitation sciences at the University of Illinois at Chicago.
Discussion includes the benefits, safety, and prescription of exercise training for people with MS with a specific focus on the disability spectrum.

35-Minute presentation plus 30-minute Q&A

Guest Speaker: Augusto Miravalle, MD, Neurologist at Rush
Neurologist, and chief for the Neuro Immunology and Multiple Sclerosis Division at Rush Multiple Sclerosis Brain Health Center

Topic:

Focuses on disability progression across the spectrum of MS, including:

- Learn more about signs and symptoms that may indicate disability progression in MS
- Understanding the clinical pathways that drive disability progression
- A deeper look at smoldering MS, Let's talk about it
- How to monitor and have a conversation with your doctor about disability progression and how to address it appropriately
