Pharmaceuticals
Autoimmune and Rare Diseases

RSVP REQUIRED to attend – Please see below

The goal of this educational series is to familiarize the MS patient and care partner with aspects of specialty pharmacy, step therapy, Medicare updates, biosimilars, telehealth today and more. With a goal to empower the patient and care partner with the shared decision-making process of selecting a treatment option that they feel works for them, and understanding the process and time frame of obtaining their treatment of choice.

Plus, for MS Awareness Month, Heidi Crayton, MD will discuss WELLNESS, LIFESTYLE & Nutrition, And Shared Decision Making
